ITEM NO.	SUBJECT	ACTION/INFORMATION	BY WHOM	BY WHEN
1.	Apologies	Steve Rae, Tom Andrews, Cath Hutton, Cr Karen May, Greg Horan		
2.	Correspondence	Cathy F: Expressed concern and frustration with responses received when reporting, particularly dust. Cathy F: The noise I reported was a piece of equipment at BMA, not a squeaky train. We were told at the CRG. Why isn't it being picked up in the data? It was so loud. Sharon: we have had no complaints but they start coming in at this time of the year.		
3.	Minutes from previous meeting	Accepted.	Sharon	
4.	Environment report	<i>External Contacts</i> <i>August</i> One external contact regarding other. <i>September</i> Nil. <i>October</i> Two external contacts regarding noise. <i>Noise</i> There were zero noise level exceedances reported for our community monitoring stations. <i>Dust</i> Dust management remains a focus. All licence limits have been complied with. <i>Water</i>		

		<p>Water management on site has been closely monitored with extra water in Rail Loop Dam being reused on site.</p> <p><i>Waste</i> Next beach clean-up of Louisa Creek and McEwens Beaches will be held in early September.</p> <p>A beach clean-up of Louisa Creek and McEwen's Beach was completed in September. Next beach clean-up will be held in early December.</p> <p>Betty: have noticed some nobbles of coal on the beach.</p> <p><i>Revegetation</i> Continuing ongoing management of three revegetation areas onsite; Rail Loop Dam, bund on Hay Point Road and Industrial Dam spillway.</p> <p><i>Additional Environment News</i> Upcoming initiative on site at DBCT is National Recycling Week in November.</p>		
5.	Funding applications	<p>Nothing tabled. Sharon to check total of available funds and report at December CWG meeting.</p>	Sharon	
6.	General Business	<p>Discussion about home phones recycling. Sharon to investigate.</p> <p>Betty: Have spoken to people in the community and they would be interested in another retreat. Sharon to pass that information on to NQBP regarding their sponsorship process. Sharon to check funding amount left and report back in December 2016 meeting.</p> <p>Marilyn: Alligator Creek Store heard whispers from Ergon Energy about the new rail link from Dudgen Point. Andrew: Have not heard anything. Highly unlikely.</p>	Sharon Sharon	
7.	DBCT Management Update	<p>The Rail Loop Dam has been completed and ready for the wet season.</p> <p>Not actively working on plans for expansion just completing internal maintenance works.</p>
