1.	Apologies	Tom Andrews, Cr Paul Steindl and Joedy Biddle		
2.	Correspondence	Sharon - Letter received back from Main Roads re. Hay Point Road. Copy of letter distributed to CWG members. Nil		
3.	Minutes from previous meeting	<i>Coal in bund wall</i> Greg – to investigate report provided by Ron in regards to coal levels in the bund wall. <i>CWG Charter update</i> Sharon – the CWG Charter was updated and a copy given to all members at the last meeting. Was there any objections to the changes? Cath Hutton – The new charters is fine. Sharon - All in favour? All in attendance were in favour.		
4.	Environment report	<i>Dust complaints</i> Sharon – Dust complaints received during rain period that don't match trends (normally decrease in dust issues when there's rain). DBCT P/L still investigating.		
5.	Funding applications	Sharon – Advised that Coal Port Community & Recreation Association were shortlisted		

		<p>with their DBCT P/L funding applications. Explained this was different to the CWG Funding.</p> <p>No new funding applications received.</p>		
6.	QR National Update	Did not attend.		
7.	General Business	<p>Request for site tours: Kim – advised DBCT P/L can't do regular site tours, but CWG reps can come on a tour.</p> <p>Doug advised RL3 oversized load completed and only 1 complaint.</p> <p>Kim – please come to DBCT P/L with any questions around coal dust reports/rumours as he believes there is a lot of biased information out there.</p> <p>Greg – Working to get Mines to engage with the community on dust issues.</p>		
8.	DBCT Management Update	<p>Greg – Increase late last year, but dropping in February. Low ship market at the moment.</p> <p>Dudgeon Point: EIS spearheaded by NQBP, but Adani is questioning process and refusing to put any more money in. Land allocation not determined yet.</p> <p>Nothing can proceed until EIS is finalised. Still a long way to go.</p>
